I understand that I should be evaluated by a physician for the condition I am requesting consultation. The diagnosis and treatment plan I will be given by Eastern Harmony Clinic is based upon Traditional Chinese medical principles and natural treatment only, and does not constitute a western medical diagnosis. I understand that I am not to rely on Traditional Chinese diagnosis and treatment as my sole remedy for the treatment I am seeking. I understand if no substantial improvement is made in the condition for which I am seeking consultation, I am to seek advice from a western medical doctor. Further, if I am concurrently undergoing western medical treatments, it is my responsibility to advise my physician of any herbal supplements I am concurrently taking.
